**AGREEMENT**

*In consideration of the services of 'Camp' Camp II, LLC and each of its respective members, officers, directors, agents, employees, affiliates, representatives, independent contractors, volunteers (including consulting physicians), successors and assigns (hereinafter collectively referred to as "Camp"), the undersigned participant acknowledges, represents and agrees as follows:*

*I represent that I have no mental or physical problems or limitations that might affect my ability to participate in activities at 'Camp' Camp (the "Activities") which have not previously been disclosed to Camp in writing. I have had and will have the opportunity to ask questions about the Activities and the risks associated with them and I am aware that I can decline to participate in any Activity in my sole judgment.*

*I understand that Camp Activities may be scheduled or unscheduled, supervised or unsupervised and modified or canceled for any number of reasons, including convenience, weather, emergencies or unexpected conditions, all at the sole discretion of Camp.*

*I acknowledge that participating in Camp Activities may involve safety risks and that access to medical facilities, communication systems, transportation and/or means of evacuation may be subject to delay. I understand that Camp cannot assure my safety or eliminate all risks associated with my participation in Camp Activities.*

*I agree to assume all such risks and release Camp from any loss, liability, claim, or expense in any way associated with my participation in any Camp Activity, including (to the fullest extent permitted by law) any loss caused or alleged to have been caused, in whole or in part, by the negligence of Camp (but excluding gross negligence or willful or wanton conduct by Camp) and also including (by way of example and not of limitation) claims for personal injury, property damage, wrongful death, and breach of contract.*

*I agree to defend and indemnify Camp (to pay or reimburse Camp for money it is required to pay, including attorney's fees and costs) with respect to any and all claims brought by or on behalf of a family member, a co-participant, or any other person for any claims related to my participation in any Camp Activity.*

*I accept that the substantive law of Maine shall govern the validity of this document and any dispute I have with Camp regardless of any "conflicts of law" rules. Any claim for damages arising from my participation in any Activity conducted or sponsored by Camp, or any controversy involving this agreement, shall be resolved solely by binding arbitration pursuant to the then applicable rules of the American Arbitration Association. I agree to pay all attorney's fees and costs incurred by Camp in defending against any claim or proceeding brought by me if the claim or proceeding is later withdrawn or if Camp prevails. This document is intended to be interpreted and enforced to the fullest extent allowed by law. Any portion of this document deemed unlawful or unenforceable is severable and shall be stricken without any effect on the enforceability of the remaining provisions.*

*I understand that Camp does not tolerate discrimination on the basis of race, color, religious creed, national origin, sex, sexual orientation, gender identity or age. Camp, in its sole discretion, may decide to refuse admission to an individual for any other reason, such as inappropriate, disruptive, or offensive behavior or the failure to act in accordance with Camp principals and values.*
